KANUSTADT MERAN. Die Geschichte des Meraner Paddelsports beginnt 1951 mit der Gründung der Sektion Kanu innerhalb des Sportclub Meran. Seitdem trägt der Verein jährlich ein internationales Kanurennen aus. Meran zählt zu den wichtigsten nationalen und renommiertesten internationalen Austragungsorten. 1953, 1971 und 1983 fanden auf der Passer Weltmeisterschaften statt. 1994 wurden der Weltcup im Abfahrt-Sprint, 2001 und 2004 Weltcuprennen im Slalom ausgetragen. Der internationale Kanuverband hat Meran zum wiederholten Male als Veranstaltungsort für die ICF World Ranking Competition nominiert. Zudem wurde Meran 2019 von der European Canoe Association für die Austragung des European Canoe Slalom Cup auserwählt.

LA CANOA A MERANO. La storia della canoa a Merano ebbe inizio nel 1951, anno in cui venne fondata la Sezione Canoa dello Sportclub Merano, anche se i canoisti erano scesi sulle acque del Passirio già molto prima. In modo ininterrotto e costante, a partire dagli anni '50, la società ha sempre organizzato gare internazionali sul Passirio. Gli appuntamenti più importanti furono nel 1953, 1971 e 1983, anni in cui Merano ha ospitato i Campionati Mondiali di canoa e nel 1994 la Coppa del Mondo nella discesa sprint. Nel 2001 e nel 2004 la gara di Merano è stata inserita nel circuito delle gare di coppa del mondo. La federazione internazionale di canoa (ICF), ha scelto Merano ripetutamente come luogo di manifestazione per la ICF World Ranking Competition. Inoltre la European Canoe Association nel 2019 ha assegnato a Merano la Coppa Europea Slalom.

CANOEING IN MERAN. In 1951, the canoe club was founded as part of the Sportclub Merano. Since then, Merano is one of the most important national canoe venues with an international reputation. The River Passer hosted World Championships in 1953, 1971, and 1983. The city of Merano has witnessed many canoeing highlights, like the national premiere of the World-Cup Sprint in 1994 and the World Cup Slalom events in 2001 and 2004. In the last years the International Canoe Federation (ICF) chose Merano repeatedly as venue for the ICF World Ranking Competition. Additionally in 2019 the European Canoe Association design Merano as venue for the European Canoe Slalom Cup.
